

CREATIVE REUSE SHOWCASE

Nevada Recycles invites you to celebrate
2020 America Recycles Day

On America Recycles Day, we recognize the importance of recycling and its impacts on both the environment and the economy.

To celebrate America Recycles Day on November 15, Nevada Recycles and NDEP are sponsoring a Creative Reuse Showcase!

We want to see what you can create with things you may not use anymore. “Shop” your house for inspiration! Be creative, join in the fun, and give those things some new life!

Be sure to take photos of your creative reuse project. Then use this [Entry Form](#) to send in your submission by **October 28, 2020**. We will post your photos on the Nevada Recycles website and send you a set of To-Go Ware Bamboo Utensils!
